

GAIN EXPERIENCE MAKE AN IMPACT

SUMMER INTERNSHIP 2017

The idea for The Patachou Foundation is simple: Feed healthy meals to children suffering from food insecurity, and while feeding them, increase their awareness, connection and excitement about the wholesome food they are eating.

We have a radically different work environment and we seek talented interns who crave learning new skills, aren't afraid to tackle big projects and have a passion to make a difference in the Indianapolis community.

Internship requirements:

- Strong communication skills
- Interest in nonprofit management and community development.
- Overwhelming interest to invest time and energy in an exciting start-up organization in direct services and administrative tasks.
- Access to a laptop computer/tablet
- 36 Hours a week minimum

General Intern Responsibilities:

- Food Preparation
- Food Delivery & Service
- Relationship Building with Youth
- Education Sessions with Youth
- Curriculum Development
- Marketing/ Social Media Tasks

ADDITIONAL PROJECTS, AS DEFINED BY STRENGTHS AND INTERESTS.

Benefits:

- A priceless experience
- Stipend for 7-8 weeks FT work
- One meal per full day of work from our feeding program
- Employee discount on most menu items for dining in at Patachou, Inc. restaurants for the duration of internship

Interested applicants should send a cover letter and resume to Matthew Feltrop at matthew@thepatachoufoundation.org by February 28.
