

The Patachou Foundation Lead Educator

The Patachou Foundation Summer Lead Educator must be detail oriented, organized, outgoing, able to work well under pressure and with others, and have excellent rapport with children. Our Lead Educators are responsible for teaching high quality cooking and food-related STEM lessons that are both fun and educational and meet the best practices educational standards of high quality out-of-school time programming.

Experience working with youth preferred.

Responsibilities

- Teach weekly, hour-long culinary & STEM lessons at a variety of partner summer camps (3-4 hours/week)
- Familiarize with TPF Food Explorers Club curriculum and adapt lessons provided to suit individual teaching style
- Pick-up and drop off supplies for lessons to and from TPF offices
- Set-up and clean-up before and after lessons
- Other duties as assigned.
